

# Safeguarding Conference

Friday 11<sup>th</sup> October 2019

This learning event aims to develop Healthcare Professionals' understanding of essential and developing areas of Safeguarding. The Trust has organised this event for clinicians working at level 3 and above of the Intercollegiate document for staff who wish to develop their understanding of specialist areas of Safeguarding.

The theme this year is to consider Safeguarding of Adults & Children in the context of the challenges staff and patients face in the Eastern part of the region.

## **Guest Speakers:**

**Bal Howard** – Bal has been advocating on the issues of BME women and men on domestic violence, honour based crimes (Forced Marriage & Female Genital Mutilation) and Child Sexual Exploitation (CSE) since 2008.

**Bev Alden** – Public Health NCC - County Lines and Violence reduction in the Eastern region.

**Abigail McGarry** – Norfolk Safeguarding Children's Board, Board Manager, Serious Case reviews locally.

**Workshops:** Mental health Adult & Child, Modern Day Slavery, Drug & Alcohol, Safeguarding Children locally,

There will be a charge for admission and a delicious lunch is included.
