Norfolk Safeguarding Adults Board Webinar

Norfolk Fire and Rescue Service:

Learning from fire incidents to support safer practice

Wednesday 9 December 2026 - 10 to 11am

Join Norfolk Fire and Rescue Service to explore recent learning from a fire review and consider how you and your organisation can use this to strengthen fire safety and support people who may be at increased risk.

The session will look at fire safety topics, including **emollient-related fire risks** and **lithium-ion battery safety**.
